DEAR SIRS,—I am very pleased to tell you I derived great benefit from your Cough Elixir. I had a severe attack of Bronchitis and was scarcely able to breathe. I had two doses and was then enabled to rest, and a bottle and a-half completely cured me. I shall feel most happy to confirm this should anyone like to refer to me.
Yours very truly,

FAMILY MEDICINE.
DR. MATTHEWS'
LIVER AND STOMACH PILLS

DEEPLY the Blood, correct the secretions, act as a Liver Cleanser, Tonic, and a general restorative after long illness.

Reasons why I should take Dr. Matthews' Liver and Stomach Pills.

1st.—Because they promote digestion by their stimulating influence upon the Salivary Glands, thereby assisting mastication of the food, and by their action on the *Gastric Juices* cause the food to be well digested in the stomach, so that when it passes into the *small intestines* the absorbent vessels take up a large amount of nourishment that could be accomplished if this process was arrested by a deranged or morbid state of their natural process.

2nd.—The *Mild Aperients* in the *Bowels*, removing all crudities without the irritation so usually caused by other purgative pills.

3rd.—*The Action of the Kidneys* is normally excited, thus securing the healthy action, and preventing a *Hasty Secretion of the Skin*, keeping it in a permissible perspiration, so necessary for a perfect state of long illness.

4th.—Their *Tonic Properties* strengthen the lax fibre of the system, giving elasticity and energy to its muscular nerves, bracing the whole corporeal or inner relaxed state of the frame, giving cheerfulness and vigour, removing headaches and dizziness, relieving the brain of the undue pressure of serum so often found in its cavities from a relaxed state of the blood being thus purified, enriched, and reinvigorated, and it becomes a pleasure instead of a burden.

"Sir,—I am a poor Weakland Apl. 6
I should like to thank you. Your lozenges have done me so much good in relieving my terrible cough. Many Ladies of the Choir of Trenchcroby (the name of the Church) have used them, and they are highly pleased with them. I am still always performed at St. Bartholomew's Hospital, so many people have had it. I believe your cough ; it was so bad at times that it quite affected me. In some cases which was very copious and hard has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. HILL.
UTTERLY UNRIVALLED
The above speaks for itself From strict enquiry it appears that the benefit from using KEATING'S Cough Lozenges is universally stated. The operation was especially severe case, and was performed by Mr. Bowlby, of the North West Province, British Columbia, and the Western States of America.
